I don't understand what's going on here. Seems like maybe we need a meeting with Strickland, rallings, ray Kelly and us?

Hmm. Ok. Would it help to try to get Ray and Mike together to brainstorm this? (Things are just stuck with the situation not getting much better.)

We asked Ray to identify areas in MPD where officers could be pulled from to put into gang unit. He said he did all he could do.

Through his own words and inaction, I think he has taken himself out of the process. As a result, there is nothing else we need from him in the next 6 weeks.

Just a reminder that our contract expires with Ray Kelly in six weeks. Is any progress being made in getting Ray and Mike together on allocation of more resources to the gang problem ?
